Explanation of Responses:

- The date of the transaction represents the date on which the Board determined that a portion of a previously granted performance stock unit award had been earned.
- Represents the number of underlying shares of common stock determined by the Board to have been earned on a previously granted performance stock unit award. Also includes dividend equivalents accrued on such award since the date of grant calculated based upon the number of underlying shares of common stock earned. The performance stock unit award is now subject only to time-based vesting, and will vest on September 27, 2024.
